Details of the Event

Hack 4 Safety

The Future of Animals Depends on Us. Do you have programming or design skills? Would you like to make the world safer for endangered species, and win over \$1000 value in local prizes and possible support from the US State Department to implement your idea? Join us for the fourth annual Zoohackathon— sponsored by the U.S. State Department— to create solutions to international wildlife trafficking. You'll form teams to address illegal animal capture and trade. This year, in addition to our event, another 15 Zoohackathon events will take place across the globe, in all regions of the world.
